#1 Goal—Pursue God

As we begin a new year this week, we all will be thinking about possible changes we want to make in our lives. There will be goals we want to meet and objectives to strive for. As we think on these things consider the words from the author below and remember to Pursue God in 2019. - Cliff Hand

Often times, I find myself lost in thought as to how I can improve as a worker in the kingdom of God. My thoughts most recently have been focused around the idea of the goal we pursue. So many aspects of Christianity seem to exist and all seem worthy of pursuit, however, God's word is much more simple than that. We must remember the singular goal of Christianity is to pursue God.

In our pursuit of God, we find ourselves devoutly committed to the church. We find ourselves seeking fellowship with other Christians. We find ourselves craving a deeper understanding of our Lord. We find ourselves building life around the church, and not the other way around. We find ourselves evangelizing at every opportunity. We find ourselves producing fruit, planting and watering as God provides the increase. These aspects themselves are not the goal, but a result of the true goal of Christianity: pursuing God. As the busy holiday seasons roll in, do yourself a favor, Christian, and narrow your focus on the one goal that matters!

PHYSICAL INVENTORY

"Physical inventory!" Often dreaded words if you have ever been involved in the process at work. Yet, it is vital to a healthy business. Taking inventory spiritually is also vital to a healthy walk with God.

Jesus: A discipleship test — **Luke 14:25-34**

Paul: Self examination is a "must!" — **1 Cor. 11:28-32**

Practical questions to help us self-examine...

- ✓ Am I a _____?
- ✓ What are my most prominent spiritual _____?
- ✓ Is my _____ what it should be?
- ✓ Can I elevate my level of _____?
- ✓ Do I promote _____, _____, and _____ at home and with my church family?
- ✓ Am I allowing the Lord to _____ me as He sees fit?
- ✓ Would my life look more Christ-like if I were more _____?
- ✓ Are there wayward Christians I can _____ in 2019?
- ✓ In what areas have I made _____ in 2018?

With God's help, we can always be growing. The goal should always be to minimize the variance between where we are and where He wants us to be. Let's make 2019 our best year of faithful living and service yet!

We are thankful for the example of our brother **Doug Rutherford** who responded to the invitation last Sunday and was restored. He also asks prayers for help in upcoming decisions regarding his brother Joe.
